| Get involved in student life and associations (e.g. music, sporting and cultural clubs)      |  |

## Preparing yourself emotionally

Whilst living in a new country opens various opportunities and exciting, new experiences for you, this also means leaving the places you are accustomed to, your family, and your closest friends. Given that getting emotional and feeling home-sick are common, mental preparation is a vital stage in transitioning and adapting to the various changes you will experience in this journey.

The main changes you are about to experience when leaving home are:

- Extended periods of being without your family and closest friends.
- Familiarity and usage of the Australian English in both the academia and various social settings.
- Differences in approach related to learning and teaching.
- Getting used to living on your own or sharing accommodation.
- Engaging with people from different religions, social customs, and values.

- Adjusting to a new environment includes the number of people you see every day.

In addition to losing their self-confidence, some people withdraw from their new environment when faced with these big changes. It is important to not hesitate and be brave to ask questions and seek help from the right people when you need it. This may even help you succeed and be your best as a student.

Our Support Services Team is experts in assisting and supporting students and can provide support and referral to counselling

# 10 reasons to study in Australia

## 10 reasons to study in Australia

Did you know Australia has the third highest number of international students in the world behind only the United Kingdom and the United States despite having a population of only 23 million? This isn't surprising when you consider Australia has seven of the top 100 universities in the world! In fact, with over 22,000 courses across 1,100 institutions, Australia sits above the likes of Germany, the Netherlands and Japan, ranking eighth in the Universitas 2012 U21 Ranking of National Higher Education Systems.

These are strong academic credentials, but our institutions are just as highly rated as the cities that house them around the country. Australia has five of the 30 best cities in the world for students based on student mix, affordability, quality of life, and employer activity – all important elements for students when choosing the best study destination. And with more than A\$200 million provided by the Australian Government each year in international scholarships, we're making it easier for you to come and experience the difference an Australian education can make to your future career opportunities.

Do you have a specific study area of interest? There is every chance Australia has you covered, with at least one Australian university in the top 50 worldwide across the study areas of Natural Sciences & Mathematics, Life & Agricultural Sciences, Clinical Medicine & Pharmacy, and Physics.

Given this impressive education pedigree, it's not surprising there are now more than 2.5 million former international students who have gone on to make a difference after studying in Australia. Some of these students are among the world's finest minds. In fact, Australia has produced 15 Nobel prize laureates and every day over 1 billion people around the world rely on Australian discoveries and innovations – including penicillin, IVF, ultrasound, Wi-Fi, the Bionic Ear, cervical cancer vaccine and Black Box Flight Recorders – to make their lives, and the lives of others, better. Why wouldn't you want to study with some of the best minds in the world?

## Welcome to Sydney, NSW

Sydney is located at Australia's east coast between the Pacific Ocean and the Blue Mountains. While being the capital of New South Wales, Sydney is also known as the largest and oldest city in Australia. Sydney is also known for being one of the most famous tourist destinations in the world because of its admirable harbour and beautiful coastline. Not just that but Sydney also has a warm and pleasant climate, making it one of the most beautiful and lively cities in the world.

For most visitors coming to Australia, Sydney is the best place to go as the city is geared and well prepared for orienting tourists about Australia's culture. Because of the city's geographical setting, having been surrounded by harbours, virgin bushlands and the famous Bondi Beach, Sydney is one of the best tourist destinations to be one with nature.

Sydney boasts a pleasant climate where you can experience warm summers and mild winters, making the city best for visits all year round. If you are planning to visit Sydney, as a guide, summer season is from December to February, autumn is from March to May, winter is from June to August and spring is from September to November.

# Greenwood Academy of Animal Care and Agriculture Profile

Greenwood Academy of Animal Care and Agriculture is an international Registered Training Organisation and CRICOS provider committed to cultivating and nurturing the knowledge and skills of each of their students to develop job ready individuals who are equipped and competent to undertake the business world and their chosen careers. To make this happen, Greenwood Academy of Animal Care and Agriculture ensures that the courses they offer are tailored to suit the students' needs and the requirements of the Animal care, agriculture, business and management industry.

## Our Mission, Values and Vision

**Vision statement:** Greenwood Academy of Animal Care and Agriculture are committed to providing quality educational experiences through best practice learning, support, and engagement. We seek to be a leading provider offering quality accredited and nationally recognised qualifications to empower graduates to develop and sustain career-life pursuits

**Mission Statement:** Our mission is to provide an inclusive learning environment, in which principles of equity, fairness, value and respect are instilled. While assisting students to become more confident, assured, responsible, ethical global citizens to develop self-actualisation, social awareness, and civic responsibility.

**Values:** Fairness Equality Respect Diversity Honesty Integrity Inclusivity Lifelong Learning Sustainability Environmentalism

All courses are designed to provide teaching and learning excellence, flexibility, personal satisfaction and to consistently meet students' expectations and industry demands. As such, Greenwood Academy of Animal Care and Agriculture has systems, policies, procedures and internal controls in place to provide quality education and support to both their learners and staff. These systems ensure that Greenwood Academy of Animal Care and Agriculture provides consistent and reliable training and assessment activities that are compliant with relevant legislation and standards. Greenwood Academy of Animal Care and Agriculture courses are nationally and internationally recognised and accredited to meet vocational and educational standards so as to ensure a worthwhile learning experience for their students and provide skills and knowledge that are accredited even outside of Australia.

Greenwood Academy of Animal Care and Agriculture is interested and open to individuals who aspire to enhance their skills and expertise in the Animal care, agriculture, and business industry. The institution is located at the Central Business District (CBD) of Sydney it is easily accessible to students and close to all modes of public transport, food outlets, and shops.

## Campus maps

Check out the following link to view the campus map, centrally located in Sydney CBD Museum and Town Hall close by for convenient travel. With numerous cafes, restaurants, shopping and tourist attractions close by.

### Suite 2, Level 1/175 Liverpool Street, Sydney NSW 2000

# Arranging Visas

## Arranging Visas

Most international students wanting to study in Australia require a student visa. Some other visa holders are also eligible to study as international students in Australia. Many students apply for a visa themselves on-line or via the Australian Diplomatic Mission in their country. The visa application process can be complicated and for students from select countries it may be better to submit an application with the assistance of an accredited agent due to their familiarity and experience in the field. You should check with the education provider in Australia for their accredited agents in your country. In order to apply for a student visa, you will need a valid passport, an electronic Confirmation of Enrolment (eCoE) and any other documentation required by the Australian diplomatic post with which you lodge your application. You must ensure to allow enough time for processing between lodging your application and the start of your academic program, as it can be a lengthy process depending on your country of origin.

## Department of Home Affairs (DOHA)

The purpose of the Department of Home Affairs (DOHA) is to 'enrich Australia through the well managed entry and settlement of people'.

Originally titled the Department of Immigration and Citizenship (DIAC) until September 2013, DOHA has managed the arrival and settlement in Australia of nearly seven million migrants from 200 countries, including more than 700 000 refugees under the Humanitarian Program, since its establishment in 1945.

## Migration Agents

A migration agent can assist you in submitting your visa application and communicate with DOHA on your behalf, but please note that you do not need to use a migration agent to lodge any kind of visa application.

## Education Agents

Education agents promote various Australian education programs and institutions internationally and are a good way for students to apply to study in Australia. Agents are experienced in making international student applications and applying for visas. Most speak both English and the local language, so this makes the application process a lot simpler and generally hassle free for students and parents. Most do not charge for their service as they collect a commission from the institution you choose to attend. However, some agents do charge small amounts or offer additional services for which they charge. You can check with your Australian education provider for contact details of agents they recommend.

**Please Note:** Although able to assist in completing education and visa applications, your Education Agents are not licenced to provide any migration advice unless MARA. \*

## \*Migration Agents Registration Authority (MARA)

In Australia only registered migration agents are legally able to provide migration advice. MARA also encourages migration agents who practice outside Australia to formally register in order to ensure that industry standards are maintained.

## Visa Conditions

If you are granted a visa, you must abide by its conditions. Failure to comply with these conditions could result in the cancellation of your visa. These conditions include (but are not limited to):

- Complete the course within the duration specified in the Confirmation of Enrolment (CoE)
- Maintain satisfactory academic progress
- Maintain approved Overseas Student Health Cover (OSHC) while in Australia
- Remain with the principal education provider for 6 calendar months, unless issued a letter of release from the provider to attend another institution
- Notify your training provider of your Australian address and any subsequent changes of address within 7 days.

# Arranging Travel

You will need to make your own travel arrangements to Australia. Please try to arrive at least 1–2 weeks before the start of International Student Orientation to allow enough time for settling-in, adjusting to the climate and overcoming jetlag.

You should fly to **Sydney** International Airport, which is the closest international airport to the city. Visit the Airport website at <https://www.sydneyairport.com.au/>

**Sydney** Airport is located in Mascot suburb, 8 km south of *Sydney* city.

# Travel documents

## Preparing a folder to bring with you to Australia including

|  |  |
|--|--|
| Valid passport / Valid Student Visa  |  |
| International Student Letter of Offer and Agreement issued by Greenwood Academy of Animal care and Agriculture |  |
| Confirmation of Enrolment (CoE) issued by Greenwood Academy of Animal care and Agriculture                     |  |
| Receipts of payments (e.g. tuition fees, OSHC, bank statements etc.)   |  |
| Insurance policies   |  |
| Certified copies of your Academic Transcripts and Qualifications   |  |
| Other personal identification documents, e.g. birth certificate, ID card, driver's license                     |  |
| Medical records and/or prescriptions   |  |

If you are travelling with your family, you will need to include their documents as well. **Keep all documents in your carry-on luggage.** In case you lose the originals, make copies that can be left behind with family and sent to you.

# Preparing to come to Australia

## What to pack

Australia's variable climate, marked by four different seasons, makes it important to pack the right clothes.

### Summer (December to February)

Summer is the hottest season of the year. Temperature varies from 14 to 30 degrees but can get well over 35 degrees, especially in February. Summer has the longest course of daylight at 14 to 15 hours in a day, and the sun can be at its harshest during this time. For this season, pack:

- *Light, cotton shirts*
- *Short pants and casual trousers*
- *sandals and water proof shoes.*
- *Sunscreen with at least 30+ Sun Protector Factor (SPF) for protection against UV rays and skin cancer.*

### Autumn (March to May)

Autumn is mellow and cool, with temperatures varying from 11 to 20 degrees Celsius. The duration of daylight is also considerably shorter at 10 to 13 hours. For this season, pack:

- *Light jumpers and jackets*
- *jeans*
- *waterproof shoes*

- *Umbrella*

### Winter (June to August)

Winter is the coldest season. Temperature falls to 6 degrees Celsius and ranges from that point to 18 degrees Celsius during the day. At night, it could drop to near zero in various areas, with Melbourne and Canberra likely to be the coldest places. Daylight is also at its shortest at approximately 10 hours. For this season, pack:

- *Thick, waterproof coats*
- *Thick jumpers*
- *Warm trousers or jeans*
- *Waterproof shoes*
- *Scarves, gloves, umbrella and*

### Spring (September to November)

Spring is mild but is usually marked by wind, rain and cyclones in the latter part, hence the wettest season of the year. Temperature ranges between 10 to 22 degrees Celsius with 12 to 14 hours of daylight on average. For this season, pack:

- *T-shirts and light jumpers*
- *Waterproof jackets*
- *Light, casual trousers and jeans*
- *Waterproof shoes*

### Daylight Saving Time (excluding Queensland)

Most Australian states follow what is called the Daylight-Saving Time. Daylight Saving Time begins at 2AM on the first Sunday in October, when clocks move forward one hour, and ends at 2AM on the first Sunday in April, when clocks are wound back one hour.

### More tips on packing:

- It's important to pack the clothes according to the range of temperature in various cities. Queensland, for example, has a higher range of temperature than Sydney, Melbourne and Canberra.
- <http://www.bom.gov.au/> offers valuable information about the weather in each Australian city. It is prudent to check this website for awareness.
- Pack your luggage according to the limits and guidelines set by international airlines (20kgs, for most airlines), including relevant information in the Australian Quarantine information in this guide.
- Casual clothing is a staple among students when coming to class. However, work placement in the course is likely to require wearing a uniform or smart business clothes (i.e. uniform for Nursing students, trousers, shirts and ties for Business and Education students)
- Students intending to apply for a part-time job may need to bring smart business outfit appropriate for job interviews.
- You may also bring some traditional clothes from your

home country, which may be useful during cultural events and may help you cope with homesickness.

### On your Flight

- Before landing in Australia passengers are given an Incoming Passenger Card to fill in. This is a legal document. You must tick YES if you are carrying any food, plant material including wooden souvenirs, or animal products. This includes fruit given to you during your flight.
- If you have items you don't wish to declare, you can dispose of them in quarantine bins in the airport terminal.
- Don't be afraid to ask airline staff if you have any questions. If you are carrying more than AU\$10,000 in cash, you must also declare this on your Incoming Passenger Card.
- It is strongly recommended however, that you do not carry large sums of cash but arrange for an electronic transfer of funds into your Australian bank account once it has been opened.

# Other items you might need

| Most of these items can also be purchased in Australia |                                      |  |                              |
|--|--------------------------------------|--|------------------------------|
|  | Alarm clock                          |  | Swimming costume             |
|  | Bath towels, bed sheets, pillowcases |  | Umbrella                     |
|  | Small sewing kit                     |  | Spectacles or contact lenses |
|  | Sporting equipment                   |  | Camera                       |
|  | Toiletries                           |  | Converter                    |

The standard voltage for electrical items in Australia is 240V. Electric plugs have three flat pins, one of which is an earth pin. You may need to buy an adapter or have the plugs changed when you arrive.

**Note:** In the picture, the red dot indicates that the switch is on and power is flowing through that socket.

## Bring your computer

Bringing a PC or laptop into Australia may be a little more complicated.

Items owned and used for more than 12 months prior to arrival are allowed in tax-free. Proof of the date of purchase and purchase price may be required. Computers which are less than 12 months old and over AU\$400 may attract Goods and Services tax (GST) at a rate of 10%. Consideration is given as to whether you intend to export the computer at the conclusion of your studies.

To satisfy the Customs Officer that you will be taking the computer out of Australia you should bring along a statutory declaration (a written declaration witnessed by the certifying authority in your country) stating that the computer is for use during your studies in Australia, and that you intend to take it back with you when you complete your studies. You may be required to give an undertaking under Section 162 to this effect and provide a cash security to Australia Customs upon arrival.

## Mobile Phones & Laptops

If you are considering bringing a mobile phone, laptop, or any communication devices we suggest that you visit the Australian Communications and Media Authority <https://www.acma.gov.au/> before making any purchases. Some students have brought in their own laptops with internal modems only to discover that they were unable to use their modem in Australia. Any external or built-in modems must be Australian Approved in order to function in Australia.

# Getting from the airport

## Train

**Sydney NSW** Airport is located just 13 minutes by train from the city. Airport Link offers a fast and convenient way to reach the city and suburbs, with trains running approximately every 10 minutes. The station is located at the northern end of the terminal and accessible from the Arrivals level. To use this service, you will need to purchase an Opal Card from the station, Relay or WH Smith. For more information, including fares, maps, timetable changes and travel planners, **VISIT THIS LINK:** <https://transportnsw.info/>

## Buses

**Sydney Transport** Buses operates a timetabled service, Route 400, between Bondi Junction and Burwood. The service stops at both the T1 International and T3 Domestic terminals. You will find clearly marked bus stops located on arrivals level outside each of these terminals. You'll need an Opal transport card to use the service.

## Shuttle Buses

If you're looking for a shuttle transfer, limousine, accommodation, tours and attractions please visit the Redy2go website below. Redy2Go desks can also be found in the arrivals hall of our T1 and T2 terminals. If you're looking for bus and limousine transfer services that provide transport between the airport and most Sydney suburbs and regional areas, you can find a range of providers via Mozio.

## Taxi and Rideshare

You can access taxis and rideshare services when you arrive. The Sydney CBD is a short, 20-minute ride away and will cost about \$45–\$55 one way. You'll find taxi ranks at the front of all terminals – simply follow the signs to the nearest ranks. For rideshare services, please arrange with your driver to meet you at our priority pick-up area.

# Keeping contact

Before you leave home, you should provide your family and friends, and your education provider in Australia, with details of your flights to Australia and where you will be staying when you arrive. (Do not change these details without informing them.) Once you have arrived in Australia, you should then let your family and friends know that you have **arrived safely**. It is important to **ALWAYS** let someone know where you are and how to contact you by phone or by post.

You may contact **Greenwood Academy of Animal Care and Agriculture**

**Email:** [services@greenwoodacademy.edu.au](mailto:services@greenwoodacademy.edu.au)

# Accessing money

You should read this section carefully, and discuss the issues raised in this section with the bank or financial institution in your home country before you leave. All banks operate differently, and you should be aware of all fees, charges, ease of access to your funds, and safety of the way in which you will access those funds.

## How Much to Bring

You will need to make sure you have enough funds to support you when you first arrive. It is recommended that you have approximately AU\$2,000 to AU\$3,000 available for the first two to three weeks to pay for temporary accommodation and transport. You should bring most of this money either Traveler's Cheques or on an international credit card. Traveler's cheques can be cashed at any bank or currency exchange in Australia.

Please note that it is not safe to bring large sums of money with you! Lost credit cards or traveler's cheques can be replaced, but very few travel insurance companies will replace lost or stolen cash. Do not ask someone you have just met to handle your cash for you or to take your cash to make payments for you. Not even someone who may indicate they are studying at the same education institution.

## Currency Exchange

Only Australian currency can be used in Australia. If you

have not brought some with you, you will need to do so as soon as possible after arrival. You can do this at the airport. Once you have arrived in Sydney, you can also change money at any bank or at currency exchanges at Travelex, Travel Money Oz or American Express.

## Electronic Transfer

You can transfer money into Australia by electronic telegraph or telegraphic transfer at any time. This is a fast option and will take approximately 48 hours, but the bank will charge a fee on every transaction.

## ATMs

Automatic Teller Machines are located everywhere (including at the airport) and you can immediately withdraw cash from your overseas bank account at ATMs displaying the Cirrus Logo (if your ATM card has international access). Check this with your financial institution before leaving home.

## Credit Cards

All major international credit cards are accepted in Australia, but you must remember that repayments to many of these cards can only be made in the country where they were issued. Do not rely on being able to get a credit card once you arrive in Australia because this is very difficult due to credit and identification laws.

## Settling-In

# Living in Australia

## Australian social culture

It is important to learn the habits and customs of other people as Australia is a diverse nation populated by people with varying cultures. Learning the habits and customs in other cultures will make it easier to understand other people as you are aware that they may express their feelings differently from those in your own country.

Always remember that the easiest way to make friends and approach other people is to be able to accept and respect their customs and traditions. It is also equally as important however, that you are able to practice and uphold your own customs and be proud of them.

You can find out more information about the Australian Social Customs at:

<https://www.homeaffairs.gov.au/>

## Keep in touch

### Telephones

Public telephones are made available at locations such as the airport, shopping centres, railway stations, roadsides and other public centres. A

local call is untimed and would usually cost you 50 cents. Calling mobile phones and STD (Australia's term for long distance calls) are timed and will be charged per minute. You can also make reverse-charge and third party-charge calls with public phones, so you do not have to worry. You can pay for calls using various methods as most public phones would accept coins, pre-paid phone cards and sometimes credit cards.

International phone cards are valued at AUD\$5, AUD\$10, AUD\$20 and AUD\$50. Phone cards are available in most shops at the airport, supermarkets and suburban newsagents.

### Mail services

You can find post offices in most shopping centres and in the main shopping streets. Post office services would include telegrams, faxes, letters, parcels, money orders (like cheques) and bill paying services that allow you to pay your bills. A standard letter would usually cost you \$1.50.

## Need help in calling home?

You can make international calls using any telephone in Australia including the use of public phones.

To make an international call you can follow the steps below:

1. Dial the international access code (0011).

2. Dial your country code.

\*If you do not know or are unsure of your home country code, you can dial (1225) for more information.

3. Dial the area code of your home city.

\*Do not dial the "0" on the beginning of the code.

4. Dial your home telephone number.

Global roaming is supported in Australia so you can bring your mobile phones even if they are locally connected to your home country. Before leaving for Australia be sure to check with your provider that your SIM card is not blocked from international use.

For laptops who have internal modems you may visit the Australian Communications and Media Authority website at <https://www.acma.gov.au/> for more information as not all of them are supported by Australian networks. The reason for this being that the bandwidth in Australia ranges only from 900 to 1800 GSM.

When you arrive in Australia most providers will give you the option to use a pre-paid system or to go onto a contract for your phone connections. You can ask for suggestions from your fellow students on what phone and

Most students on a budget would usually get the pre-paid connection. Pre-paid connection plans are advantageous if you do not want to be faced with an unexpectedly high phone bill and this does not lock you into a contract.

You can visit <https://www.finder.com.au/mobile-plans> to compare phones service providers.

Before signing any mobile phone, contract or plan make sure to check all the terms and conditions and that you fully understand how much your plan is going to cost.

To gain access to the internet, most students apply to have their own broadband, cable or wireless internet connection. For more information about internet service provider comparisons you can visit the website <https://www.finder.com.au/broadband-plans/home-wireless-broadband>

Before signing an internet connection contract or plan, make sure to check all the terms and conditions for the plan and that you fully understand how much your plan is going to cost as well as the additional charges that may apply if you exceed your data limit.

## Public transport

The costs and modes of public transport will vary between the different Australian states. To know more about them, check the following websites:

- NSW <https://transportnsw.info/>
- QLD <https://translink.com.au/>
- VIC <https://www.ptv.vic.gov.au/>
- ACT <https://www.transport.act.gov.au/>

\*Student travel concessions are given to students, but most international students are not eligible for this.

## Living cost

An amount of approximately AUD\$30,000 would usually be required for a single international student to pay for living expenses on a yearly basis. Expenses allocated for tuition fees, learning resources, expenses associated with having a car and social activities such as social gatherings or attending tours are not included in the estimated cost. The estimated amount of money is not standard as expenses would still depend on the location, lifestyle and living preferences of the student but most are able to live alright within the estimated amount of money.

As a tip, it is very important that you be able to budget your money realistically and never overspend on things that you do not really need. Conserve as much money as you can and remember to allocate a 5% increase for your living expenses each year.

# How much do things cost?

## Food and other costs

The normal cost for fast foods such as McDonald's, KFC and Hungry Jacks would usually amount to a range of AUD\$15 to AUD\$20 per meal. Normal trim for haircuts on the other hand would usually cost AUD\$20 to AUD\$60 for men and AUD\$50 to AUD\$80 for women.

## Clothing

There are a number of department stores in Australia that publishes online catalogues for a range of items and their prices. You can check out the online catalogues below to give you an idea of clothing prices.

- Myer [www.myer.com.au](http://www.myer.com.au)
- Target [www.target.com.au](http://www.target.com.au)
- Big W [www.bigw.com.au](http://www.bigw.com.au)
- Kmart [www.kmart.com.au](http://www.kmart.com.au)

## Shopping

When shopping for an expensive appliance be sure to check around and compare retailers first as you may find a cheaper alternative, or you might even find a discounted one. Be sure to check the tags, labels and signs thoroughly as aside from finding affordable products it is also very important to consider the product quality.

Opening hours for department stores are:

- Monday - Wednesday (9:00am to 5:00pm)
- Thursday (9:00am to 9:00pm)
- Friday (9:00am to 5:00pm)
- Saturday (9:00am to 5:00pm)
- Sunday (10:00am to 4:00pm)

## Pharmacy

Medications and personal items such as makeup and aftershaves are available in pharmacies. You can also ask for advice from resident pharmacists if you are having trouble with everyday medication choices.

## Other shops

Convenience stores and other smaller shops can be easily located in all suburbs. Convenience stores usually charge extra for purchased goods compared to other shops but their trade hours are longer, so they are very useful for late night purchases.

## Laundry

Coin-operated washing machines are available in launderettes if you do not want to buy or there are no washers or dryers where you live. Find a launderette near you at <https://www.yellowpages.com.au/>

## Furniture

When moving to your new living accommodation in Australia you may find that you might need to arrange your own furniture and utensils. IKEA and Harvey Norman are just some of the large trading stores that you can buy affordable furniture from. You can also check out second-hand furniture from:

- Gumtree ([www.gumtree.com.au](http://www.gumtree.com.au))
- Trading Post ([www.tradingpost.com.au](http://www.tradingpost.com.au))
- Opportunity Shops ([www.vinnies.org.au](http://www.vinnies.org.au))

## Markets

If you like shopping for produce the market is a good place to find affordable fruits, vegetables, dairy and meat. You may also find that some fruits and vegetables are on sale when they are in season.

Check out the prices of different items at:

- Aldi [www.aldi.com.au](http://www.aldi.com.au)
- Coles [www.coles.com.au](http://www.coles.com.au)
- Woolworths [www.woolworths.com.au](http://www.woolworths.com.au)

Australian prices are often very competitive so be sure to shop around and check out other stores to get the best prices available. If you feel that you terribly miss your home country you can check out various specialty stores that are available near your location. Often you will find a variety of grocery stores, such as Asian and Indian, around.

# Working in Australia

The moment that you have been approved for a student visa, you have also been granted rights to work in Australia. Although a work permit has already been included in the granting of your student visa, commencement of work can only start until your course start date has passed.

40 hours is the maximum number of hours you will be allowed to work when your training/course is *'in session'* and this includes exam and assessment periods. However, if your training/course is not *'in session'* the number of hours that you are allowed to work will not be limited. To find out more information about this, you can check out the Department of Home Affairs (DOHA) website at [www.homeaffairs.gov.au](http://www.homeaffairs.gov.au)

The DOHA can also grant your spouse the right to a work permit if they are coming with you to Australia. Check the DOHA website and inquire about these rights. <https://www.homeaffairs.gov.au/>

## Employment

14 hours of work in a week is the recommended number of work hours for students who want to work while studying. You may ask for assistance from Careers

Advisers about various strategies when searching for a job. You can also use the local newspaper listings or make use of online searches if you want to search for jobs by yourself. If you are planning to do an online job search you can use the following websites:

- <https://www.seek.com.au/>
- <https://au.indeed.com/>
- <https://www.careerone.com.au/jobs/in-sydney-nsw>

If you are interested in using a recruitment agency when looking for a job, you can visit the Recruitment and Consulting Services Agency website or search for a recruitment agency near you. Your employer will be required by law to follow standard practices, ensure a comfortable working condition and pay your wages. Check and review the Fair Work Ombudsman website at <https://www.fairwork.gov.au/>

## Tax File Number

If you plan on working in Australia, you must apply for a Tax File Number (TFN) from the Australian Taxation Office (ATO). To apply for a TFN, you must fill out and complete the Tax File Number application or Enquiry for an individual form (NAT 1432). Check out and review the forms at:

- ATO <https://www.ato.gov.au/>

A couple information will be asked in the application form such as your name, date of birth, current Australian address, date of arrival in Australia and proof of identity.

All documents that you provide will be reviewed by the Tax Officer for approval.

## Tax payment in Australia

International students must pay their taxes the same way that Australian residents pay theirs. Staying in Australia for more than six months will give the government rights to consider you as 'a resident for tax purposes.' This means that you are required to pay tax on your work earnings as well as earnings from bank interests.

You will also be required to give your employer a Withholding Declaration form if you have already been staying in Australia for more than six months and you still plan on working. You can get the Withholding Declaration form from the Australian Taxation Office. Once you have completed and passed this form you become an Australian resident for tax purposes.

A payment Summary OR Group certificate will be given to you by your employer on the 30th of June is the end of the financial year. You will need this certificate when making your tax return.

## Information on visa

A student visa, as a rule, will only last until the duration of the course of study. Conditions for granting a student visa are also in place and such conditions would state that a student must leave

Australia upon the completion of their chosen studies. As such, it is the RTO's responsibility to report the students' progress especially if they are not attending classes or are not able to provide satisfactory marks on their studies. It is also the international students' responsibility to finish and complete their study within the minimum timeframe provided in their CoE. Since international students will be required to leave Australia upon completion of their studies, you will need to apply for a visitor class visa if you wish to attend your graduation ceremony.

## Student with families

If you plan on bringing your family with you, you must first check and enquire in the Australian consular office near you if your visa allows for you to do so. Ensure that you plan and budget your money thoroughly if you intend to bring family members with you to Australia, as you will be solely responsible for supporting and financing any dependents that you bring. If you are bringing a family member who is at the school-age, you must pay their tuition fee when studying in Australia.

# Safety in Australia

It is very important that you make sure to always be cautious and not make any unwanted risks while staying in Australia, even if you might find the country a relatively safe place to live and study in. If you find yourself experiencing some trouble, you do not have to worry as there are a lot of 24-hour support service available in Australia.

## Tips on safety

### General safety

- Do not walk alone, especially at night. If you cannot avoid it, always stay alert and avoid passing by dark corners.
- Avoid wearing earphones when crossing the street. Wearing earphones also disables your awareness of everything that is happening around you.
- Never accept rides from strangers or ask strangers drive you; it is against the law.
- In the ICE *'In Case of Emergency'* option in the mobile address book or contacts list in

your phone, list down the name and contact number of the person that you want to be contacted in the event of an emergency.

### Public transport safety

- Stay alert and always be aware of your surroundings when using public transport at night.
- When in the streets or using public transport, always keep expensive mobile phones and other valuables inside your bag and out of sight.
- If you ever find yourself in a situation where you feel harassed or threatened, scream and shout for help.
- Avoid making eye contact and striking up a conversation with people who are behaving weirdly and suspiciously.
- Try to avoid dark areas at night and stay in well-lit places when waiting for public transport.

## Safety on the road

In Australia, people drive on the left side of the road. You may find a bit of a hard time getting used to this if your home country uses the opposite side so make sure to always look left and right before crossing the road. If pedestrian crossings are present use them always.

## Safety on the beach

If you decide to visit the beach, always remember to swim where the lifeguards can see you. Never swim on beaches with no lifeguards to help you. Oceans in Australia can be dangerous if you are not used to it or if you do not know how to swim. You can check <https://www.beachsafe.org.au/> if you want to learn more information about Australian beaches.

## Keep valuables safe

- Do not forget to lock all windows and doors when going out, even if for just a short while.
- As much as possible, only use ATMs and withdraw cash during the day. Do not forget to take your card and money from the ATM.
- Do not leave car keys and other valuables unattended inside your car even if for just a short while.
- Never give out your personal information to anyone. Personal information includes full name, date of birth, address, contact number and passport details. Only provide them when asked by authorities such as the DOHA.
- Do not leave mobile phones, laptops and other valuables unattended. Always keep them with you.
- If your mobile phone is stolen or lost, report it to your provider and ask them to immobilise it.

## Fire safety

- Install smoke alarms in your place and test them regularly.
- Familiarise yourself with all the fire exits in your building and prepare an escape plan in case of fire.
- Always keep keys to locked doors with you so it is readily available if you need to escape the building.
- Do not leave flammables and flame sources such as cookers, electrical appliances and candles unattended.
- Do not smoke in bed and dispose of cigarette butts properly.
- Be extra careful and take safety precautions when using heaters, electric blankets and fireplaces during the winter season.
- Switch off your electric appliances when not in use and do not overload power outlets.
- Clean the lint filter in your clothes dryer after every use.
- If the area where you live is prone to bushfire, make sure to regularly clean the ground around your home and clear it of leaves and other flammable litter. Clean your gutters often as well.
- Always keep lighters and matches out of

## **Studying at Greenwood Academy of Animal and Agriculture**

# Where to begin

As prescribed in the ESOS Framework and the National Code 2018, Australian education providers will provide an International Student Orientation before the commencement of classes. Staff who run the orientation work hard to ensure that you as a student will be well equipped to achieve the best possible success in your studies. If you read through the Student Handbook which the institution provides for you; you will see that there is a lot of information for you to understand and consider as you move through your studies. Although the handbook will outline what you need to know, it is impossible to understand and recall everything. Once you are concentrating on your studies, you will feel less stressed if you are already comfortable with the institution, its staff and its services.

## Arriving early to attend orientation gives you the chance to:

1. See and talk to important people you will need to know at the institution
  - Academic Advisor
  - Student Support staff

2. Enroll early, which will help you to get your student card early. You will need your student card to open bank accounts, borrow books from the library, and more.
3. Meet and get advice from your Academic Advisor
4. Meet representatives of Student Support Team
5. Find your way around the campus
6.
  - Computer rooms and facilities
  - Recreation and eating areas
  - Classrooms
7. Meet other international students who may share your classes, share your concerns or fears. Knowing another face on campus as you become more comfortable with the routines can really help you avoid any feelings of isolation.
8. Find your way around the public transport/ City/ to and from your accommodation.
9. Feel as though you already know some of the things local students know before you get to meet them at orientation activities later.

## What to do

When first arriving at Greenwood Academy of Animal Care and Agriculture, students are required to undergo the registration and orientation process. International students may approach the enrolment and/or admission officer upon arrival, and they will guide you through the registration and orientation process.

## International Student Orientation

Prior to your course at Greenwood Academy of Animal Care and Agriculture, you will be given a copy of the Orientation Checklist and will be guided through the orientation process. The orientation process will cover the following topics and will be scheduled as follows:

| TOPICS                                    | DATE | TIME |
|---|------|------|
| Student Support Services                  |      |      |
| Legal Services                            |      |      |
| Emergency and Health Services             |      |      |
| Facilities and Resources                  |      |      |
| Complaints and Appeals                    |      |      |
| Student Visa Conditions                   |      |      |
| Learning, Living and Working in Australia |      |      |

## International Student Code of Conduct

As an international student coming to Australia you might find that you will be meeting other people of different races, culture, beliefs and religion. You might even find that most of them will be your fellow students and the college's trainers and staff. To maintain harmony and respect between individuals in the institution, you are expected to uphold the Greenwood Academy of Animal Care and Agriculture International Student Code of Conduct as listed below:

Greenwood Academy of Animal Care and Agriculture is committed to our guiding principles of Equality, Sustainability and Ecology which aligns to our Student Code of Conduct of respect, awareness, understanding and acknowledgment of all regardless of differences.

- Respect between the Greenwood Academy of Animal Care and Agriculture staff and students.
- Respect for the Greenwood Academy of Animal Care and Agriculture equipment and facilities.
- Respect for everyone's individuality, beliefs, culture and the absence of any form of bullying.
- Respect for the opinion, skills and knowledge of others.
- Respect for everyone's right to access resources.
- Respect for the requirements of academic programs and initiatives.

## The ESOS Framework

The Australian Government wants international students to have a rewarding, enjoyable and safe experience when they come to Australia to study. Australia's education and training system offers high quality services and protection for international students to ensure they make the most of their time here.

The laws that protect international students from the Education Services for Overseas Students (ESOS) framework. They include the Education Services for Overseas Students Act 2000 and the ESOS National Code.

Please read a summary of the ESOS Framework including your rights, responsibilities, requirements, support services, and other information about studying in Australia on the AEI website here:

<https://www.education.gov.au/esos-framework>

## Privacy Policy

The Greenwood Academy of Animal Care and Agriculture will follow the Australian Privacy Principles in the management of all student and staff information, however allowing access to all information as required by relevant National and State Training Authorities for the purpose of monitoring and/or auditing the Greenwood Academy of Animal Care and Agriculture's operations as a Registered Training Organisation and CRICOS provider.

You may check the full Privacy Policy at the Greenwood Academy of Animal Care and Agriculture website.

<https://gwacademy.edu.au/>

## RPL and Credit Transfer/Course Credit Policy

Greenwood Academy of Animal Care and Agriculture believes that no learner should be required to undertake a unit of competency for which they are already able to demonstrate satisfactory achievement of the performance outcomes, as stated in the endorsed training package or nationally recognised course. As such, all students can apply for Recognition of Prior Learning (RPL) and Course Credit. This means that you can submit evidence for a Unit/s of Competency and have it assessed by a qualified assessor without completing the training.

Students applying for RPL or Course Credit must provide original transcripts and subject descriptions and fill out the RPL or Credit Transfer Form prior commencement of training or during training.

## Academic Policies and Procedures

Academic policies and procedures refer to anything that relate to your course and training and assessment of the Greenwood Academy of Animal Care and Agriculture. Greenwood Academy of Animal Care and Agriculture ensures that all assessment is conducted in a fair and equitable manner, meeting the requirements of the relevant training package as well as industry expectations and standards. The institution applies flexible assessment options, recognising the diversity of individual student needs and circumstances, facilitating wherever possible the realisation of the learning and vocational goals.

For more information about academic policies and procedures you may refer to the Greenwood Academy of Animal Care and Agriculture Training and Assessment Policy and website.

## Complaints and Grievances

Greenwood Academy of Animal Care and Agriculture has a complaints and appeals policy and process in place to accommodate learners' complaints and grievances. GREENWOOD ACADEMY OF ANIMAL CARE AND AGRICULTURE ensures that all complaints and appeals are resolved and acted upon as quickly as possible in an unbiased and professional manner. Learners are informed of the progress of the complaint or appeal throughout the process. All complaints and appeals are welcomed as a means of ensuring that we identify and overcome problems faced by students and provide an opportunity to improve our business and/or the delivery of our training programs.

For more information on complaints and grievances handling you may refer to the Complaints and Appeals Policy in the Greenwood Academy of Animal Care and Agriculture website.

## International Student Visa Conditions

Students entering Greenwood Academy of Animal Care and Agriculture must take responsibility to uphold and remain true to the International Student Visa Conditions. For more information about the mandatory student visa conditions please visit the Greenwood Academy of Animal Care and Agriculture website.

## Academic Progress

As stipulated in the International Student Visa Conditions, Greenwood Academy of Animal Care and Agriculture has a training and assessment policy and course progress monitoring procedure in place to monitor, record and assess the progress of each individual learner. A learner's progress is reviewed and assessed at the conclusion of every study period. If a learner will be at risk of failing to meet the acceptable progress requirements an Intervention Strategy will be implemented.

## Attendance

Greenwood Academy of Animal Care and Agriculture has policies and procedures in place to monitor and record the learner's attendance throughout the course. Learners are required, at the minimum, to have an 80% attendance of the scheduled contact hours for the course. Where the learner is at risk of meeting the 80% attendance threshold for the course, Greenwood Academy of Animal Care and Agriculture will implement an Intervention Strategy to identify, notify and assist international students before their attendance drops below 80%.

## Current Address Details

Greenwood Academy of Animal Care and Agriculture ensures that monitoring and record management processes are in place to keep their student files always updated however, it is the learner's responsibility to notify the college if changes in their current address in Australia have been made. If a learner changes their current address in Australia, they must fill out the Change of Address Form and notify the Greenwood Academy of Animal Care and Agriculture immediately.

## Student Deferment, Suspension or Cancellation Policy

An overseas student's enrolment can be deferred, suspended or cancelled. This may be initiated by either the overseas student for compassionate and compelling circumstances, or the registered provider for an overseas student's breach of visa conditions, failure to pay fees, misbehaviour, or other conditions listed in a registered provider's policy. Greenwood Academy of Animal Care and Agriculture will manage the enrolment of overseas students and maintain up to date

## STUDENT ADMINISTRATION INFORMATION

### Paying Fees

**GREENWOOD ACADEMY OF ANIMAL CARE AND AGRICULTURE** will not require students to pay more than 50% of the total tuition fee before commencing their study, but students may do so if they wish. Tuition fees will not be accepted prior to signing this agreement. Payment can be made at the same time as the International Student Written Agreement form has been signed and returned to the College. Please note that tuition and non-tuition fees are subject to change. For more information you may refer to the Fee Administration and Refund Policy on the website.

### Refund and Cancellation Policy

**Full refund** – full refund of course tuition fee less the non-refundable enrolment and accommodation booking fees.

**Refund period** – 28 days upon enrolment

**Tuition fees** will be refunded in full less the non-refundable enrolment and accommodation booking fees if:

- Formal refund request lodged within the refund period
- The student is not granted a student visa and student provides a rejection letter from the Australian Embassy
- The college default occurs, and the course is cancelled on the agreed starting day or at any time after training commences, but before it is completed, and the student has not withdrawn before the default day.

**No refund** will be paid where:

- Refund request and written notice of withdrawal is received outside of the refund period
- In the event the extension of student visa is not granted. Students are advised not to enrol if they believe that their student visa may not be

- Students seek to transfer to another provider prior to the completion of six (6) months' study of their principal course. Transfer will not be granted until all fees for which the student is liable have been paid
- Infringement of the Student Code of Conduct or a breach of student visa conditions
